Doug discussed upcoming 2024 projects: Canoe Launch, Overall Maintenance, Emergency Access at Easement, Adding a Building To House Equipment. Phase I is completed. Trees will be cleared out in late summer. Landscaping will be done at Flat Fork Entrance. Doug signed a contract for a gate at the Flat Fork Entrance . He will also add electrical at the parking lot.

Brian mentioned the scouting project that was written up in the Current newspaper. Doug discussed planting trees at the home (Cindy Breitwiser) that sits at the entrance at Flat Fork. Tony is opposed to this. Brian and Jason are ok with it as long as we have something in writing that Fall Creek Township is not held liable if the trees die off or fall over. Bellamy states that something could be typed up regarding the trees.

Cindy Naum & Jacob Huck were in the audience to discuss their concerns at the park. In particular, hunting and wildlife control. Doug indicated that no public hunting will be allowed but that as of now and in the future wildlife control will be conducted. He would be happy to meet with them at any time to discuss any further concerns.

7:40 p.m. Jason motioned. Tony seconds. Approved.
